

Learning from Complaints – 2024–2025 Summary

During the 2024–25, Second Chance Housing Limited received one formal complaint. While the number of complaints was low, the organisation undertook a full review and used the opportunity to reflect, improve communication, and strengthen service delivery across all teams.

Key Learning Points

Team	Issue Identified	Learning Outcome	Action Taken
Admin Team	Resident was not	Improve	Introduced clearer
	updated clearly on	communication	update logs and
	progress of a repair	tracking and	admin-led check-ins.
	request.	resident updates.	
Maintenance Team	Confusion over	Clarify what	Added response
	timescales for non-	residents should	time guidance to
	urgent repairs.	expect and how	internal tracker and
		updates are shared.	wall posters.
Support Team	Resident did not feel	Staff should assist	Refresher given
	confident escalating	residents in raising	during team
	concern.	complaints when	meeting on how to
		appropriate.	guide residents
			through the process.

Outcomes

- The issue was resolved quickly and to the resident's satisfaction.
- The complaint was upheld in full.
- No further complaints were received.
- Learning was logged and shared with all teams during monthly supervision and quarterly board review.
